

SACHIN KUMAR

DATA SCIENCE INTERN | ASPIRING DATA SCIENTIST | PYTHON | SQL | POWER BI | DATA ANALYSIS

Jamshedpur, Jharkhand | +91 8207548606 | kumarsachin8207548606@gmail.com | GitHub: github.com/Sachinkr606 | LinkedIn: linkedin.com/in/sachinkr606/

ABOUT ME

BCA student and Data Science Intern with hands-on knowledge of Python, SQL, Machine Learning, Power BI, Excel, and data analysis. Skilled in data cleaning, data processing, exploratory data analysis, data visualization, insight generation, and analytical problem-solving. Interested in applying data-driven approaches to real-world problems and building a career in Data Science and AI/ML.

EDUCATION

Bachelor of Computer Applications (BCA)

Srinath University, Jamshedpur, Jharkhand | 2024–Present | 69.05%

Senior Secondary (Class XII) – Science Stream

Punyark Vidya Mandir, Pundarakh, Bihar | 2022–2024 | 48.9%

Secondary (Class X)

Vidya Jyoti School, Gamharia, Jamshedpur | 2017–2022 | 64.75%

EXPERIENCE

Data Science Intern

Vizztal Academy, Adityapur, Jamshedpur | July 2026–Present | 6-month internship

- Work with Python for data analysis, data processing, and problem-solving across practical datasets and projects.
- Apply Machine Learning concepts and algorithms to practical datasets and strengthen AI/ML foundations.
- Develop skills in SQL, Power BI, Excel, data visualization, data cleaning, analysis, and insight generation.
- Strengthen analytical thinking, teamwork, communication, and practical problem-solving through hands-on learning.

Data Analytics Workshop

Venturing Digitally | 7 Days

- Applied data analysis fundamentals and data handling techniques using real-world-style datasets.
- Used Microsoft Excel for data organization, data cleaning, visualization, and basic insight generation.
- Completed hands-on assignments simulating industry data scenarios.

PROJECTS

Personal Portfolio Website

HTML, CSS, JavaScript | GitHub Pages

- Designed and deployed a personal portfolio website to showcase profile, skills, projects, and contact information.

Phone Book Management System

C++ | File Handling | CRUD Operations

- Developed a console-based contact management application supporting add, search, update, and delete operations.

TECHNICAL SKILLS

Programming

Python, C, C++

Data & Analytics

Data Analysis, EDA, Statistical Data Analysis, Data Cleaning, Data Processing

Databases

SQL, MySQL

Visualization & BI

Power BI, Microsoft Excel, Data Visualization

AI / ML

Artificial Intelligence, Machine Learning, ML Algorithms

Core

Problem-Solving, Analytical Thinking, Teamwork, Communication

CERTIFICATIONS & COURSES

- AWS AI Practitioner Challenge
- Microsoft Excel with AI Masterclass — Skill Course (Self-Learning)
- Basic Data Science and Artificial Intelligence — Feuchr School of Excellence
